COMMENTS FROM THE TOWN MANAGER'S OFFICE

The Town Office will be open all day Saturday, Dec. 30, to receive payment on 1961 taxes. All taxes not received by this date will be published in the annual town report.

In this column two weeks ago reference was made to the decrease in the Railroad and Telephone Tax received annually from the State. A letter from the State Treasurer states that distribution to towns is based upon the places of residence of the stockholders. Due to the fact that a large block of telephone stock that was owned by Bethel residents has been sold to residents of another town is the reason for the decrease in revenue from this source.

Notice has been received from the State Dept. of Audit that the audit of the 1961 accounts will commence on Jan. 8th.

The appropriation of \$5,000 to the Capital Reserve Fund has been deposited to this fund, which now amounts to \$10,167.98. This fund was set up at the March 1960 town meeting to be used for the construction of a Fire Station. During the coming year thought should be given to the question of when and where the station will be constructed.

Distribution of surplus food to eligible donees will be on Friday and Saturday of this week. Currently there are 164 eligible persons. Cheese is being added and pork and gravy are being withdrawn from available surplus commodities.

Sincerely,
Harold L. Bean

ALIEN ADDRESS REPORT DUE IN JANUARY

Mr. C. C. Doughty, District Director of the Immigration and Naturalization Service, stated that the annual alien address report program usually causes a sharp rise in the number of applications for naturalization.

The law requires all aliens in the United States with few exceptions, to report their address each January.

Aliens not required to make this report are diplomats, those accredited to certain international organizations and those who have entered temporarily as agricultural laborers.

WITTER HOME IN GILEAD LOST IN EVENING FIRE

Fire of unknown origin destroyed the home of Leo Witter in Gilead village Friday evening. The fire was discovered by Mr. Witter about 8 o'clock when he could not enter the house because of the smoke and flames.

The Bethel and Gorham, N. H., fire departments were called and confined the blaze to the house although hampered as in other fires there in getting water from Wild River. A large barn and chicken house nearby was unharmed.

The loss was partially insured.

This is the third Gilead home burned during 1961. The home of Mr. and Mrs. Lester Witter in the village was a total loss on Sunday afternoon, April 9, and the house and barn at the former Dana Wight place, unoccupied, on the north side of the river, burned on the early morning of Sept. 18. The village home of Mr. and Mrs. Amedee Fiacette was burned Nov. 27, 1960.

MONDAY NIGHT BLAZE TAKES MAHEUX HOME

The one-story home of Mr. and Mrs. Gideon Maheux on Robertson Hill was gutted by fire Monday night. All household furnishings were lost. The blaze was discovered by their son Roger about 10 o'clock, after the family had retired.

Hampered by lack of water, the Bethel firemen used two tank truck loads of water in quenching the blaze and saving a nearby shed. Cause of the fire is not known. There was no insurance on the house or contents.
